

## TREETOP OBSTACLE COURSE

- Treetop obstacle courses with PPE (Personal Protective Equipment) enable participants to go through challenging obstacles with different levels of difficulty in perfect autonomy. From Level 1 to Level 5, Treetop Quest welcomes everyone to experiment a dazzling adventure in the trees.
- Each course is composed of 10 to 15 elements (Monkey Bridge, Amazonian net, Hamster wheels, Climbing wall, Tarzan liana...) with a giant zipline bringing the adventurers back to the ground.
- Treetop Quest utilizes a continuous lifeline belay system, among the best safety equipment on the market, which is impossible to detach from the cable.
- Treetop Quest parks are built in compliance with the European (EN 15567-1/2) and ACCT standards.

- **SAFETY** with the continuous self guided belay system
  - 100% USER FRIENDLY TROLLEY HOOK
  - 100% EDUTAINMENT
- In compliance with ACCT standards
